AFTER AN INTERVAL OF OVER A YEAR THE HARWELL NEWS REAPPEARS

The old "News" was a much glossier publication produced three times a year. Unfortunately much of the information was very out of date by the time households received their copy. Many people have complained that they are not informed about events which will take place in the village. This is a great pity where Parish matters, which may eventually affect everyone, are concerned.

This new broadsheet, to appear monthly, will provide information about what is happening in the village, while reporting more important and interesting items which have occurred. Many people are interested in the development of the village and therefore a regular feature will be to include information on Planning Applications.

Success will very much depend on Club Secretaries providing the Harwell News with information about forthcoming activities. If you have regular meetings, or occasional events that you want people in the village to be informed of, please let us know so that the information can be passed on.

PARISH COUNCIL

The 4 year term of office of the existing Parish Council ends in May. Elections for the new Council will take place at the beginning of that month in conjunction with those for the County and District Councils.

Do you have strong views or complaints about the way the village affairs are run? If so, this is your opportunity to take some action. Listed below are the current members of the Council. If you aren't sure what it's all about, ask one of them or the Clerk.
