Parish Council

Recreation Ground: A table and bench seats in the adventure playground were recently vandalised; although some wear-and-tear is inevitable, the Parish Council will take what action it can against any vandals. Please report any incidents you see to the Clerk or Chairman - remember it is our property and our money that provided it.

New environmental legislation has categorised dog faeces as household waste and as such the responsible authority for waste disposal is required to make provision for its disposal. The Council is enquiring into the provision of special waste bins in the recreation ground, and how to ensure 'poop-scoops' are available to dog-owners. Please remember if you have a dog that it is an offence to allow it to foul footpaths etc.

General: At the April meeting, the Council agreed to sponsor the Gardens and Containers competitions - full details are given separately, but you must enter by the end of June as judging will take place in July.

The 'Spring-Clean' week saw the Girl's Brigade, School and Youth Club scouring the Village for litter. Thanks to them for their efforts.

The Council at its May meeting agreed to donate £90 to the Harwell School Playscheme to be run in August, and also £100 to the Didcot and District Citizens Advice Bureau.

Is yours an Overhanging Hedge? Now hedges are growing again, if yours is adjacent to a public path please ensure that it does not encroach upon the footpath. Residents should not have to walk in the road just because of your inactivity, or worse!

Waste & Recycling: The Vale weekly collection will take 1 sack or bin of garden waste in addition to the household refuse. If you have larger items you can arrange to have them collected - please do not dump them on the roadside. There have been several such incidents recently, although the items may well have come from outside Harwell. Waste engine oil can be taken to Harwell Garage or to the Drayton Waste Site - please do not dispose of used oil into household drains.

The Clerk, Miss Rita Boshier can be contacted either at the office, phone 820006, or at home 835208.

Alzheimers Day Centre

A coffee morning & *Bring and Buy* for our local Alzheimers Day Centre is being held on Wednesday 10th June in the Village Hall, from 10am - 11.30. Please, can you help us with a cake, tombola Books, Raffle or *White Elephant* - if so please contact Doris Weaver on 832773.

Annual Parish Meeting

This was held in the Village Hall on 14th May, and, as the Chairman, Brian Mulford noted, the Parish Councillors were at least outnumbered by the other Villagers present. He gave a report on the past year's activities of the Parish Council. This included the grants made, the provision of further illumination in the Rec. for the football club training evenings, additional street lights, and replacing the allotments fence. Expenditure in the coming year will include necessary work in the Churchyard to the path and wall, though this may be spread over two or three years.

There was a short discussion of Rights of Way - there is a new County Officer covering our area, Mrs Harris.

The Vale Councillors, Ken Howard and Vic Crocker reported on the District Council's activities, and where the 92-93 Community Charge income of just over £6m. would be going, including 6-figure sums in subsidy to the Leisure Centres in Abingdon and Wantage (leading some of us to think our requests for the Village Hall are really quite modest). In the coming year or so there will be the inquiry into Unitary Authorities, and both the Vale and the County will be spending our money to convince us they are the ones who should do the job!

There was a discussion on the use of the Freeman Orchard, where the Playgroup is applying for planning permission to put two Portakabins to provide new accommodation. The Vale had asked for the plans to be ammended, moving the position of the building and also making sufficient hard standing for cars to turn and park. Several residents of adjacent properties expressed concern that the use might be extended once the first application was approved. The Playgroup assured the meeting they had no plans to do so, and they were limited in their use by their insurance. The Vale WHDC will consider the application in early June.

There was a question regarding the footpath between Gaveston Road and Manor Green - there used to be a barrier to prevent cyclists using the path - was the Council going to replace it? The Council had discussed it recently but had not agreed the most suitable location. After some discussion Mr Mulford said the Parish Council would look at the matter again.

Other topics aired were the speed limit on the Reading Road, and whether it was effective; illegal motorcycling in the recreation ground and elsewhere; and vandalism and theft of Council property, recently at the Rec. Pavilion.

In the first Sulky race between the Rector, Chris Stott and the School Headmaster, Michael Armstrong, the fiendish tactics of the Rector paid off and left Michael to contemplate life in the slow lane! In the second, Richard Lewis, the Group Scout Leader was judged the winner in a thrilling photo-finish, but who has seen the photograph? In an extra race, Pete Davis triumphed over the announcer, Julian Sayers, who didn't fail during the rest of the day to keep us informed.

Harwell Village Hall

The A.G.M. of the Harwell Village Hall Charitable Trust was held in the Hall on Tuesday 12th May. The attendance was small, and the following matters were dealt with:

The intention to operate an information centre in the Committee Room should be implemented on a gradual basis. The desk and chairs donated for the centre will be installed and the room will be manned occasionally if Mrs Woollen can arrange it.

Public Performance and Theatre Licenses have now been issued. A condition is that a toilet for the disabled should be created by March 1993.

The treasurer presented the accounts for the year ending March 1992. The electricity costs currently account for over 50% of the hire income, but it is hoped that this can soon be reduced by the installation of gas heating. Applications for grants are being made to the County and Vale Councils to cover the cost. The treasurer also reported that the recent Talent Auction had raised approximately £850. Many thanks to all those who offered their talents, and to those who bid for them!

Work has been proceeding to improve the exterior of the Hall, but the attempt to put flower tubs at the front has been frustrated by vandals. However it is still intended to carry out some planting in front of the Hall, either in much larger tubs or by creating a bed in the ground. It is also hoped to do further planting by the play-area now the ground is clear.

On the advice of the police the provision of security lighting around the Hall had been examined and a quotation for the work obtained. In the most contentious point of the evening, a vote was taken, and carried, to ask the Parish Council that some of the funds previously earmarked for external maintenance should instead be used to provide this lighting.

The Chairman was thanked for his sterling work in cleaning and painting the kitchen. Two visits by the Vale Environmental Health Officer in recent months made this work urgent. Further work in the kitchen is still necessary, and will be done when funds are available.

The present Officers of the Management Committee were unanimously re-elected:

Chairman	Martin Ricketts (835628)
Vice-chairman	David Edwards
Treasurer	Ken Plumb
Booking Sec.	Mary Allan (832856)
Secretaries	Desmond & Dorothy Neill (834720)

Planning Decisions by the Vale WHDC / Appeals

HAR/9269/3 Permission refused on appeal for the erection of a 2-bedroom bungalow on the ex-Telecom site, for Mr D. Morgan. The appeal inspector found that the grounds for the previous refusal were valid, namely the visibility of the road from the planned entrance was inadequate, and there would be a loss of amenity to either Corner House or the new bungalow.

HAR/12649 Permission refused for the erection of a canopy over fuel pumps - in the opinion of the District Planning Authority the proposal, by reason of its bulk, prominent siting and design, would not preserve or enhance the character or appearance of the Harwell Conservation Area.

Neighbourhood Watch

Thanks to the efforts of the co-ordinators most houses in the village have now been visited. It is pleasing to say that there has been a very high response. I am sure the village would like to thank the co-ordinators for their efforts in reviving the Harwell Neighbourhood Watch Scheme.

We were able to arrange for the Police Crime-prevention Caravan to attend the Harwell Feast, which we hope you were able to visit.

The police ask us to remind you to take care when strangers call at your house. Do not let them in unless they have some form of identification. Remember during the summer to lock your door even if you are only going out for a short while.

Harwell Bowls Club

To celebrate the Club's Diamond Jubilee (60 years since formation) on the 13th May, the English Bowls Association President Mr Bob Jack brought a team, drawn from 17 counties, to play a match against Harwell,

and also to officially open the new green. A close game ensued with Harwell winning on 3 rinks and losing on 3; the final result being Harwell 102 E.B.A. 112.

A reception was held afterwards, at which representatives from most organisations involved with the construction of the new green attended. In his address the President was especially complimentary of the high standards which have been achieved with the new green. He also paid tribute to the enormous amount of self-help generated by the members, while, in addition he particularly emphasised the large part played by the Parish Council and Vale WHDC, in providing generous grants which ensured that the project was viable.

To Commemorate the occasion he presented the EBA Pennant to Dave Morris, the Harwell President, and this will be framed and displayed in the clubhouse.

The new green is now in regular use, and introductory training and coaching sessions are now being held on Monday evenings. Anyone who may wish to try their hand at the game (there is no age limit) is invited to attend from 6.30 pm, or contact the secretary Rex Mitcham on 835286.

If you have not been to one of these, it works like this - you have the first course in one house, the second in another, and then everyone gathers for the last course and coffee, etc. in the Village Hall. There is an element of surprise - you may not know until the night who your hosts or fellow guests will be.

If you would like to join us then phone Mary Alan on 832856 or Helen Potter on 835266 for your invitation.

Harwell Football Club

The club has had its most successful season for some time, with both the 1st and reserve teams doing well. The 1st team won the North Berks Cup and were runners-up in Division 1 of the North Berks League. The reserves reached the final of the A G Kingham Cup, the League Cup and were winners of Division 5 of the North Berks League.

The 1st team also did well in the Berks and Bucks Intermediate Cup and the Reading Senior Cup. The season's successes culminated in a well-earned celebration at their annual dinner. Both teams look forward to next season with the aim to achieve further successes.

Their next major event is the annual six-a-side on 14th June in the Recreation Ground. Teams are expected from as far away as Bristol. It will be a good day out for everyone, so why not come along and watch?

Blue Cross Family Fun Day

On Saturday 19th July the Blue Cross animal welfare society's field centre will be open for the day and staging a multitude of events, including a horse show, gymkhana, dog show and display of falconry.
