Parish Council

At the meeting on 19th July, the Council received the resignations of two Councillors, Ian Aitken, and Ed Blissett. A third vacancy was caused by the absence of Nicholas Rowe for six consecutive meetings without apology. The Council wishes to thank them for their services over the last two years. In particular, to Ed Blissett they wish all the best in the future - he will be taking up an appointment in Sydney University at the end of the year. The Council now has no representative from the Aldfield Estate.

The vacancies may be filled by an election if 10 Parishioners make a request to the District Council by 13th August. If an election is not to be held, the Parish Council will be able to co-opt three Parishioners to fill the vacancies. Anyone interested in putting themselves forward for co-option should check the Council's noticeboards after the above date where a notice will be posted regarding which procedure is being used to fill the vacancies.

The Council also agreed at the July meeting to make a grant of £500 towards the work in the Village Hall kitchen.

Traffic in the Village: Several matters were raised at the Annual Parish Meeting. Regarding safety along Grove Road, it was agreed at the June meeting of the Parish Council that the County be requested to place a 40mph limit along the length of it. On a similar suggestion for the road between Harwell and Didcot, it is understood that such a speed limit would not be considered because there is an adequate footpath along the length of the unrestricted section.

On the suggestion of a one-way system for Kings Lane - Jennings Lane, the Council agreed that there was no good reason to ask for this. With two-way traffic, if one lane is blocked by a large vehicle it is possible to use the other lane to reach a point further down. A one-way system would also mean an increase in traffic using both lanes. Most restrictions are caused by stationary vehicles, and having a one-way system would not affect this.

Some time ago a request was made by the Parish Council to the County Highways Dept. for signing of Harwell School. A reply has been received saying that there is no provision within the 'Traffic Signs Regulations and General Directions 1981' for signing of individual Schools on the public highway.

The County currently has a policy of not cutting verges except in certain circumstances; in particular they are not cutting to make footpaths useable! The verge adjacent to the path along the A417 from Rowstock to the Recreation Ground was trimmed by the Parish Council prior to the Fun Run, and the

Council has agreed that it will continue to cut this section to facilitate the Fun Run.

If you have any comment on the County Highways Dept. policy (in practice that it, the above is not meant to be a complete description!) our County Councillor is Mr Tony Harvey of St. Bridus Cottage, South St. Blewbury.

Overhanging Hedges: Please check if you have a hedge adjacent to a footpath or verge that it is not overhanging. If any continue to cause a nuisance then the Parish Council will be obliged to trim them and bill the owners for the cost of the work.

The Victorian Post box: If anyone is interested in making a proposal for improving the surrounds of the post-box at Wellshead, please put them in writing to the Clerk by 12th September. The Parish Council will feel free to make its own decision if no proposals are received by this date.

The Autumn edition of the **Local Transport Timetables** will be circulated soon. We would like to thank our distributors, both for this special delivery and for the normal delivery of this newsletter. Spare copies will be available in some Parish shops after the distribution in case any households are missed.

Parish Council Meetings are normally held on the 3rd Monday of the month in the Recreation Ground Pavilion at 7.45pm. The next meeting is on 20th September, there being no full meeting in August. Items for the agenda should be with the Clerk a week before the meeting.

Electricity Meter Keys

The SEB has introduced 'Key' meters, which have an electronic key that is 'charged' with an amount of electricity. The benefits are that they are prepaid, hence no bills and that people, especially those living alone, do not have the worry of coin meters being a temptation to thieves. The only problem is that the closest place to get them charged is in Didcot. Mr Bullock at the Post Office is very willing to install the necessary equipment, but the SEB needs to be convinced that there is demand within the Village.

There is going to be a petition in the Post Office for the month of August only. So if you have a key, or are a prospective key holder, or just agree that it would be a great asset to the Village please sign the petition in the Post Office.

Cherry Tree Court

At our coffee morning on June 26th we raised the magnificent total of £327.39. Many thanks to everyone who so kindly supported us - we are very grateful. Also my thanks to those who gave and helped make it such a successful day.

Harwell was in the 'Large Village' class, and, although we did not win, the Judges report was complimentary of various aspects of the Village:

'The judges were aware of the amount of passing traffic and quite dangerous roadside corners, but the gardens contained within well maintained fences, hedges, walls were delightful.

'They appreciated the clearly defined map with easy to follow directions and to scale. The embellishments were an added attraction and made it a pleasure to read.

'The bus shelter was so spotless; it could have been newly painted inside, the accompanying litter bin was equally clean. There was a complete lack of litter anywhere. All the grass was mown as appropriate, footpaths easily negotiable, with just enough fringes of cow parsley interspersed with wild flowers. The stream was clean, clear of weeds and meandering at various points through the village unhampered by rubbish or obstacles of any description. The allotments in use were neat, tidy and planted with just one or two exceptions. The playing fields and the adventure playground were a delight.'

Their adverse comments related to the broken seat at Drewitts Corner and another outside the school. The Parish Council has taken steps to have these repaired - in fact at the June meeting before this report was received..

In the separate competition, Harwell was judged to have the best-kept War Memorial. Our thanks for this are due to the members of the British Legion who maintain the Memorial so well.

Do you turn up the T.V. volume too loud?

This is one of the signs of hearing loss. So why try a quieter approach and come along and learn lip-reading. We have a class in Harwell on Mondays, 2 to 3pm in Cherry Tree Court, during term-time.

If you wear a hearing aid, I have a loop system which you can use to hear the tutor without all the background noise. Everyone is welcome to come and learn lip reading, and you will find the class a friendly and sympathetic group. All classes are free. For further information contact me on 848619.

In the Swim

The new swimming pool at Harwell School was officially opened on Saturday 12th June. Various school dignitaries(!) - Michael Armstrong the headmaster; Georgina Bing, the School Cook; and Geoff Richardson, Chairman of the P.T.A. were ceremoniously 'pushed in', much to the delight of onlookers.

Michael Armstrong was obviously surprised to be in the pool when he thought he was still being pushed! Meanwhile the spectators were sharing the wetness.

Didcot Hospital League of Friends

The annual fête is being held on the August Bank Holiday, Monday 30th at Didcot Hospital, Wantage Road. The new swimming pool has been an outstanding success due to the hard work of many people, but especially Gail Lewis who organised and coordinated the building effort. The Harwell School Association raised about £5,000 and donations from various sources raised another £5,000. The cheque from the Harwell Feast Committee for £2,000 was presented at the opening. The pool is now in daily use and will be open in the school holidays.

The School is collecting the Book Vouchers that W.H. Smith are giving with each £2 spent up to 18th September. They haven't made it easy to collect them, by closing their shop in Didcot, but if you get any please pass them on to the School.

Harwell Gardeners Club

On 2nd August, Peter Maynard, secretary of the British Iris Society will talk on *Irises through the year* and the competition will be 'Fruit'. Then on 6th September, as a break from preparing for the Produce Show, you can hear a talk on *Colour in the Garden* by Mrs Grundy. The competition will be 'Vase of Dahlias'. Further ahead, on 4th October, there will be a visit to Hanney Gardening Club. Apart from visits, meetings take place at 7.30 pm in the Village Hall. Visitors are always welcome.

Harwell Village Hall

Among the matters discussed at the meeting of the Hall Management Committee on 29th June were:

A description of the proposed kitchen improvements was circulated. Quotations are being obtained and requests will be made to the various grant-making bodies for assistance. The deadlines for application to the County Council is the end of July, and it is expected a submission can be made by then. It is not yet clear how much the Hall will have to find towards the £5,500 approximately.

A couple of requests have been received to use the Hall for overnight accommodation during the summer holiday period. An Officer from the County Fire Service will need to check the premises before this can go ahead.

The changes proposed by the Harwell Parochial Charities Trustees were discussed; the Hall receives a proportion of the income from the Charities involved. It was agreed that Committee preferred that the amalgamated funds be retained rather than dispersed.

The current Hall Charges were briefly discussed. The opinion was expressed that there should not be ad hoc arrangements for particular users outside the current system whereby the Hall is booked for the whole morning, afternoon, or evening. It was agreed that a uniform system should operate. It was suggested that one change to the system might be to have a discount for regular users who paid in advance. When the current charges were introduced there was a higher increase for daytime users to reflect the additional heating cost in winter. It was decided that the charges structure should be re-examined.

The cost of improvements to the new heating would be: £130 for a combined thermostat and timer, which would allow different temperature settings to be programmed, and £370 for a larger silencer, exclusive of vat. Both were considered worthwhile, but no decision to go ahead was taken as the treasurer had had to leave the meeting early.

We omitted to say in the last issue that the Harwell Feast Programme cover design, which appeared on our cover, was by Tammy Conway, aged 10 yrs.

Busy Bees

(Advertisement)

The **Busy Bees** certainly have had a busssssy year! Numbers of parents & children attending the group are continually increasing despite the recession, so much so that I am pleased to announce the start of a third group on Friday afternoons in Harwell Village Hall from September.

Busy Bees is a music group for babies and children aged 0 to 5 years. Accompanied by an adult the children have a wonderful time with action songs and games, musical rhymes, percussion instruments etc. in a very relaxed informal atmosphere. We meet in Harwell Village Hall on Fridays in school term time. There is a charge of £1.50 **per family** per session, payable half-termly in advance. Admission charges include refreshments served at the coffee break.

Session times are as follows:

Session 1	9.30	Coffee
	10.00 - 10.30	Music time
Session 2	10.30	Coffee
	11.00 - 11.30	Music time
Session 3	1.00pm	Coffee (or bring your packed lunch)
	1.30 - 2.00pm	Music time

Next term starts Friday 10th September.

I am taking names now for session 3, on a first come first served basis due to limited number of places. For more details or to reserve a place please contact *Mrs Busy Bee* alias Pauline Kowalski at 'Montrose' Grove Road, or come along to the Hall at 1pm on Friday for a free trial session.

Music for a While

The fifty or so people who turned out on the May Saturday evening at the Village Hall for the programme offered by guest sopranos Judy Hildesley and Frances Young, and their accompanist Helen Mabley were given a real feast of songs. Composers Dvorák, Brahms, Wolf, Kodály, and Schumann delighted us with their interpretations of on the theme - Women in Love - in Rustic & Romantic settings.

After an interval for drinks and light refreshment, and lively conversation we were given the less romantic views of Love in a Cold Climate, as expressed by Holby, Saint-Saens, Butterworth, Duke, Britten, Horder, and Vaughan Williams.

We also listened to a reading from Christina Rossetti's 'Sisters' musically interpreted by Brahms, with Horders amusing touches to Dorothy Parker's 'My Own Dear Love' to contrast with Vaughan Williams' 'The Poisoned Kiss' - such cynical views of love! The singers encore could have come straight from Cats as they amused us with Rossini's so expressive 'Cat Duet'

Added pleasures were the presence of the Hildesley children who presented flowers and the scenic arrangements of the Victorian settings contributed by Judy's husband and Harwellians. Our thanks must also go to Kathy Jewess who arranged the visit of such delightful singers who so kindly offered their musical contribution to Village Hall fundraising.

Harwell W.I.

The July meeting was one of the best of the year. It was an open meeting and a number of visitors were present. We were privileged to hear Ruth Mott of the television *Victorian Kitchen* fame describe her work, which proved fascinating and amusing. Ruth will be appearing again in the late autumn with memories of a *Wartime Kitchen*. Kath Dowle won the biscuit quiz, and Crystal Mitcham was first in the biscuit competition.

Those entering class 80 in the Village Produce show, 'One plate of six biscuits' may be interested in some of the points which the judge will look for. The biscuits should be the same size, evenly baked, have a good flavour and be crisp when broken. A true biscuit should be rolled and cut.

An open invitation is given to the 'W.I. Trash & Treasure Sale' on Saturday 30th October in the Village Hall at 2pm - 20 pence entrance fee. There will be cakes plants, a nearly-new stall, tombola competitions, a raffles, and cream teas.

The District Council has recently introduced a scheme of grants to encourage the promotion and organisation of new leisure activities in villages.

If you wish to promote or organise something new for those in your village, you could qualify for some help.

You may have an idea and just require some help getting it off the ground - an after school activity club, a mothers netball event, the development of a non-club facility or just the name of a suitable coach.

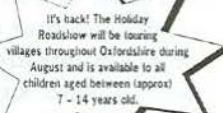

For further details, please contact the Leisure Services Division, Vale of White Horse District Council either in writing at The Abbey House, Abingdon, Oxon., OX14 3JE or by telephoning 0235-520202
