

The HARWELL NEWS

Published by Harwell Parish Council

Number 67

October / November 1993

Parish Council

The last meeting, on 20th September was attended by two representatives of the Vale WHDC, who explained the work that was planned on the sewers, particularly in Grove Road and Kings Lane. At the time of the meeting it was not certain that the work would go ahead beginning in October.

The part of the work in the Village will be carried out at some time, but will begin this month provided there is agreement between those concerned that the Esso site will cease using the works within Grove Farms and be connected to the sewer main in Grove Road. The existing section of sewer along Grove Road will be enlarged, and beyond the residential section a new pipe will be laid inside the orchard to connect with the old works.

Currently the system in the village follows a circuitous route; from Grove Road it runs along High Street, down Church Lane and then follows the line of the brook. The new larger size pipe will be laid from Grove Road across High Street down to the bottom of Kings Lane, and thence to the works beyond the A34. The reduction in the flow along the High St. and Church Lane is intended to cure the problems that have occurred in the area.

The road closure order that has been applied for lasts for 12 weeks, but it is expected that the work in Grove Road and Kings Lane will take about 6 to 8 weeks. During this time there should be access to most properties from one end or the other of the section being worked on, except during the working day to the properties in the immediate vicinity of the work in progress. The Parish Council was assured that the work would not affect the Remembrance Day Parade.

There were five applications for the three vacancies on the Parish Council. A series of votes were held, and the following were selected:

Colin Barlow of 2 North Drive

Alison Dixon of Chequers Cottage, Wantage Road

David Levey of 12a Kings Lane.

It was reported that there had been a good response to petition for an electricity meter key recharger at the Post Office. This has now been forwarded to Southern Electric.

The Auditor's report indicated that the Council's accounts were accepted without qualification. The statement of accounts is reproduced elsewhere in the newsletter.

It was reported that the new premises for Harwell Village Playgroup, on the Council's Freeman Orchard, would be officially opened by Mrs Freeman's nephew Charles Freeman on 1st October.

Parish Council Meetings are normally held on the 3rd Monday of the month in the Recreation Ground Pavilion at 7.45pm. The next meetings are on 18th October and 15th November. Items for the agenda should be with the Clerk a week before the meeting.

Parish Footpath Walk

A walk on the Parish Rights of Way will be held on Sunday 17th October. Meet at 3.00pm at the Village Hall. Dogs on leads please, maps and 'poop-scoops' provided free. The aim is to check some of the Rights of Way - those who come along usually split into 2 or 3 small groups to walk different paths, according to whether they want a short or long walk - so don't think you will be required to walk for miles!

Traffic in the Village

As reported in the the last newsletter, the Clerk wrote to the County Engineer's Department regarding safety along Grove Road, asking if a 40mph limit could be introduced. A reply has been received from the Group Engineer as follows:

I have looked at various points in investigating this possibility. Firstly the number of injury accidents over the past three years totals 3 - none of which has speed as a contributory factor. Secondly, a check on the 85 percentile speed (ie that exceeded by 15%) of vehicles in the derestricted area showed a speed of 46 out of the village and 44 towards High Street. This indicates that motorists already drive at about the suggested limit. Lastly, lengths of Grove Road - near to A4130 in particular - are of an open rural aspect and are not one where a motorist would expect to find a speed restriction. To impose a speed limit in these conditions would be against Department of Transport guidelines and would create enforcement problems for the police.

He went on to say that similar considerations applied to the possibility of 'traffic-calming' measures in the existing 30mph area, as none of the recorded accidents occurred in that area.

Harwell Village Tennis Club

Family Doubles Fun Tournament
Sunday 17th October

Commencing at 1.45pm at the Village Courts
All Welcome - no entry fee - any standard
Ideal for parents partnering children.

Planning Matters

Notices of Permission:

HAR/9836/2: Erection of new dwelling; site between East Field and Greensleeves, Reading Road.

HAR/20996/3: Erection of new detached dwelling with garage, demolition of existing garage and erection of new garage and new vehicular access: Woodlands The Cleave.

HAR/1045/3: Conversion and extension of existing public house into a house with 'granny annex'. The Chequers Wantage Road.

Refusal of Permission:

HAR/9269/5-X: Erection of bungalow: ex Telecom site Wantage Road. The reasons given were:

1. The proposal would intensify the use of an existing access lacking in adequate vision to the detriment of road safety.
2. In the opinion of the District Planning Authority the privacy of Corner Cottage would be unacceptably harmed by the close proximity of the garden of the proposed bungalow.

Harwell Village Hall

At the meeting of the Management Committee held on 7th September it was agreed to go ahead with the improvements to the heating system. at a cost of £500 plus vat. These will make the system quieter, and enable different thermostat settings to be made for different activities.

Applications have been made for grants towards the cost of the kitchen work. Provided these are successful the work should go ahead towards the end of the year or early in 1994.

The Hall had been used for overnight accommodation by a group of conservation volunteers without any problems.

A reminder that the Information Centre is open on the first Saturday of November and December, 10am - 12noon in the Hall Committee Room - entrance by the door on the south side of the Hall. Copies of the Harwell book are available.

The **Alzheimers Day Centre** will be holding a Jumble Sale on Wednesday 3rd November, from 10 - 11.30am. All Welcome.

Rob Cambell

Rob Cambell was a native of Scotland who first came to this area when he was in the forces and was posted to RAF Harwell. It was as a serviceman that he met, courted and married Jean, the daughter of the landlord of the White Hart. Following demobilisation he worked at Rowstock Garage and assisted in the running of the White Hart, as well as turning his hand to servicing cars and recharging car and radio batteries. Later, using his practical engineering skills he established and for many years developed Harwell Garage into a successful business. Eventual retirement from his business did not lead to a life of leisure for a man with so much to offer. It was not long before he was busy working again. There followed several years of employment in support of maintenance projects at Didcot Power Station. Subsequently he returned to help out at the garage.

Rob had many interests. He was keenly interested in anything to do with cars or aeroplanes and was a member of the Triumph Owner's Club. Involvement in Village activities was not as a passive spectator for that was not Rob's style. If something needed to be done, then Rob could be relied upon to contribute his considerable skills and wisdom. In earlier years he had participated as a member of Harwell Dramatic Club. He was a former Chairman of the Parish Council, President for many years of the local Branch of the Royal British Legion and a member of its snooker team. He was a member of the Harwell Feast Committee, for several years its Chairman; he was a keen member of the Harwell Bowls Club and also of the Out and About Club. He served the Village well.

But that was not all, for Rob was also a great fundraiser. If an organisation needed funds then Rob was the man to meet the challenge. For many years he organised activities in support of the Guinea Pigs Club, including an annual knock-out darts tournament. Even in the last weeks of his life his thoughts were to support others and he cheerfully raised funds for the hospital at which he was receiving treatment.

Rob Cambell was a family man. He was a gentle, modest man of great integrity, with a most cheerful disposition. He is survived by his wife Jean and two daughters.

Hilary Crossman

Hilary was born and bred in Harwell. She had many interests and joined in a lot of the Village activities; she was a member of the Ladies Group, Gardeners Club, a past PCC member and Churchwarden. But her main love was the Girls Brigade of which she was Captain for 12 years.

On Harwell Feast Day she would be found organising the GB float, and on Remembrance Sunday a she was familiar sight with the Girls Brigade on parade looking very smart in their uniforms. A lot of the Girls Brigade members past and present will have very happy memories of the GB camps, organised each year by Hilary, a mammoth task indeed.

In the days before she was heavily involved with Girls Brigade one of her favourite times of the year was cherry picking time, and in the autumn apple-picking down in the orchards in Townsend.

Those who knew her will remember her for her cheerfulness, loyalty and genuine caring for others. Her faith in Jesus, her Saviour was very important to her, and carried her over the last few months.

She was a caring wife, mother and grandma, and I'm sure her family will remember her for the love and affection she gave them all.

The Blewbury Inn

recently re-opened under new management

Paul Lane, joint proprietor and chef provides excellent and imaginative food in an informal atmosphere. Formerly head chef of Le Cassoulet, Cardiff, he also worked with Chris Oakes to win a Michelin star for Oakes' Restaurant in Stroud.

There is also a traditional bar with real ales and a carefully selected wine list.

Come and enjoy a drink or a superb meal.

Re-furnished accommodation available.

Bar Meals served Lunch & Evening

The Royal British Legion Harwell Branch and Club

Subscriptions became due on 1st October.

Collection will differ from previous years, as due to the installation of the Electronic Key Card door entry system the Club no longer employs Janet on the door, and she took quite a lot of your subscriptions over the last few years. However I will be in the Club on selected occasions, which will be published on the noticeboard. There will also be an envelope system for those who wish to leave subscriptions at other times. My aim is not to involve the bar staff more than necessary, as they have to keep the members happy in other ways. Any member who wishes may post it to me at the address below, enclosing an s.a.e. if they wish it returned by post. Otherwise it may be collected from the Club after allowing time for processing. Subscriptions remain as last year: Branch - £4-50, Club - £3, Total £7-50.

I would ask for your cooperation in paying as soon as possible to enable us to keep our records up to date as they are at present.

We are always seeking new members especially ex-service men and women, of all ages, also associate members, but at present the Club has a waiting list for this class. If interested please contact me by telephone or at the address below:

Everywhere We Go ...

At the Village Hall car park the mums were watching on,
As packed into a minibus their kids would soon be gone.
The Winterbrook Youth Club was about to wend its way,
To the heart of the New Forest for a camping holiday.

By the time we got to Rowstock we were in a holiday mood,
We were laughing, singing, joking, and we'd eaten half our food.
With Paul at the wheel and Janice reading the map,
It's amazing how we got there without some mishap.

Putting up the tents was a bit of a chore,
Some of us had never been camping before.
But then we went off swimming, Jan and Paul they had a rest,
The lifeguard was good-looking and Samantha liked him best.

By 9pm that evening we were tucked up for the night,
But, get off to sleep? - well later on we might!
Well a lot later on 2am to be precise,
We were still wide awake and we thought what would be nice ...

Would be to run around the campsite and frolic in the dew,
And then we put our minds to work and played a trick or two!
We had a midnight feast, eating Sam's dundee cake,
And after that surprisingly we couldn't keep awake!

The weekend it was action-packed with canoeing and archery and all,
And in the evenings we had campfires and ghostly stories told by Paul.
We took a trip to Bournemouth and painted the town red,
Had our tea in Macdonalds, "Blimey, what a bill" Jan said.

Well, all too soon it was over, we packed our bags to go,
Our faces red with sunburn, we had good weather you know.
The singing was appalling, as homeward we were bound,
Fifteen tired but happy campers back to Harwell safe & sound.

Anon.

p.s. Can we go again next year?

*From left: Oliver Wilkinson, Adam
and Hannah Taylor in canoes*

Harwell W.I.

In July the W.I. enjoyed an evening in Kath Lay's lovely garden. The supper which was brought by members was accompanied by a refreshing punch made by Joyce Millward. An auction conducted by Wendy Birch helped to replenish our funds.

In September members heard an interesting account of the history and mysteries of perfumery from Brenda Cook of Bourton-on-water Perfumery.

The Hospice Fête was an outstanding success and the contributions from the cake stall were much appreciated.

A reminder of our *Trash & Treasure* Sale to be held on Saturday 30th October in the Village Hall at 2pm, entrance 20 pence. Join us for fun, bargains and cream teas.

All are invited to a knitwear fashion show in the Village Hall, on Thursday 11th November at 7pm. The show is by 'Rapport Fashion'. Entrance £1

'LITTLE PIPPINS'

HARWELL VILLAGE PLAYGROUP

(Freeman Orchard, off Gayeston Road)

We are open four days a week, Monday to Thursday, from 9.15am to 11.45am. The fee is £1.50 per session. Children can attend from the term in which they are three. Mums! the term before your child is three please bring them along on a Wednesday morning, stay and have a cup of coffee, and see us in action.

The Committee would like to thank all the Mums for coming to our coffee morning. As a result of our discussions, we will now be looking into opening on a Friday and special sessions for children aged two and a half to three. *Little Pippins* is there for you - tell us your needs and we will try to help.

A Well Lit Winter

Long nights and dark days
make us gloomy and give the
thief plenty of places to hide
in the shadows. Have you got
dense shrubbery close to your

house where a thief can conceal himself? Have you
thought about a security light to illuminate the area
or perhaps a change in your garden design would give
you better security. The point of security lighting
is to deter would-be intruders because the fear of
being seen and identified. There's not much point in
illuminating your back garden if no one can see into
it, is there? Choose the position carefully and give a
thought to the neighbours too, and make sure pets
do not trigger the light every 10 minutes!

Small alarms can now be purchased for the garden
shed or detached garage to give you peace of mind
over those garden and power tools. All security aids
are only as useful as you make them and a little care
and thought every time you leave the house - "have
I closed and locked *all* the doors and windows?" will
still be the best deterrent to a would-be opportunist
thief.

Thank you to all the village folk who are reporting
crimes, keeping the street coordinators in touch with
what is going on and from the Police "Please keep
up the good work Harwell".

Seen anything suspicious? Tell your local co-
ordinator or Sandy Carter, Didcot Police Commu-
nity Liaison Department on 776501.

Harwell School Summer Playscheme

This year 111 children attended another super
playscheme. Activities ranged from arts & crafts,
sports & games, treasure hunt, quizzes, bingo, face-
painting, T-shirt painting... the list just goes on and
on...

Twelve children took and passed their cycling pro-
ficiency test. Highlights of the fortnight were an army
assault course, a juggling workshop, and on the last
day 10-pin bowling for the juniors and a disco party
for the infants.

Everyone running and helping on the playscheme
did so on a voluntary basis so a big thankyou must
go to all who gave their time and energies to make
Playscheme 1993 the best so far.

Grants are acknowledged from the Parish Council,
Feast Committee and the Vale WHDC.

Playscheme bowling trip: Left to right Back:
James Lockwood, Jonathan Memfield, Becca Smalley
(helper); Front: Joseph Smalley, Matthew Hinchliffe,
Richard Birkinshaw

Harwell Groundwater Level

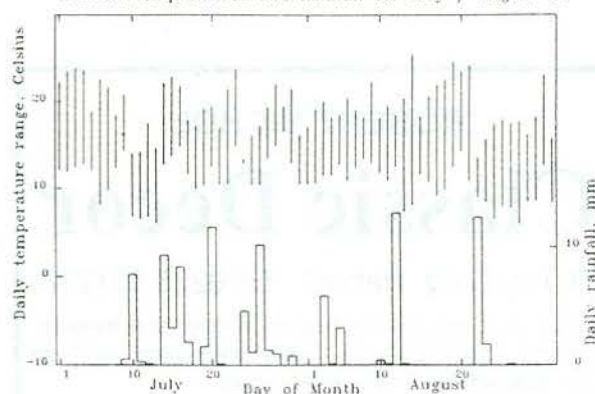

There has been some concern in 1991 and 92 over the dry streams in Harwell. Thames Water has supplied a plot showing the groundwater level at the NRA chalk observation borehole at Aldfield Farm on the western edge of Harwell. This, reproduced below, shows that levels (given in metres above the Ordnance Datum) have been very low for the 3 years up to 1992. The heavy rainfall at the end of 92 and early in 93 has resulted in levels returning to a more normal pattern, recovering over the winter and recessing during the summer. Thanks are due to Mr Simon Tebbett, of Thames Water in Swindon for the information.

We are grateful to Roger Neal of AEA Technology Environmental Physics Group for the weather information.

RURAL RECREATION GRANT SCHEME

The District Council has recently introduced a scheme of grants to encourage the promotion and organisation of new leisure activities in villages.

If you wish to promote or organise something new for those in your village, you could qualify for some help.

You may have an idea and just require some help getting it off the ground - an after school activity club, a mothers netball event, the development of a non-club facility or just the name of a suitable coach.

For further details, please contact the Leisure Services Division, Vale of White Horse District Council either in writing at The Abbey House, Abingdon, Oxon., OX14 3JE or by telephoning 0235-520202
